

TTETRA

We are thrilled to invite you to partner with Gretna Theatre for our 2025 Season! By becoming a sponsor, you can support the arts in our shared south-central Pennsylvania community, while also providing your organization with valuable marketing exposure to community members from across the region and beyond. Our audience is available to you!

Gretna Theatre has been a primary part of the Mount Gretna and Pennsylvania Chautauqua community since the theatre's founding in 1927. Entering our 98th season, Gretna Theatre is recognized as America's oldest professional summer theatre, producing Broadway musicals, classic and new plays, children's theater and more. Each year, over 15,000 audience members from across Pennsylvania and beyond make their way into the heart of Mount Gretna to enjoy professional, live theater at the open air, 700 seat Mount Gretna Playhouse.

Your sponsorship makes it possible for Gretna Theatre to entertain, engage, educate, and enrich audiences of all ages. This season will offer 29 performances, and features four mainstage shows as well as two special events. Sponsorships are available at various levels to fit your organization's needs and budget and all levels offer prominent print, digital, social media exposure and more. Advertising-only options are available, as well.

YOUR SUPPORT ENRICHES OUR COMMUNITY

Mount Gretna, Pennsylvania is a destination nestled in the calm, green forests along Lebanon County's southern border next to Lancaster County. Mount Gretna has been attracting guests since its establishment in 1892 as Pennsylvania's Chautauqua. The Chautauqua movement, originated and modeled after the Chautauqua Institution in New York State, was an educational movement that swept the nation promoting education, entertainment, and culture. This is a legacy Gretna Theatre is proud to have continued for 98 years.

Patrons from Lancaster, Lebanon, Dauphin, and Berks counties account for 65% of our audience. With Fodor's endorsement of Mount Gretna as one of its 15 amazing lakeside towns to spend your summer, it is no surprise that 35% of our other audience members come from afar to join us.

There is no place like Mount Gretna. It is a summer encampment, a small village, an arts colony, an immersive experience, a spiritual retreat, and a hub for arts and culture. "This rural Pennsylvania utopia is like a spa for the mind." - The Philadelphia Inquirer
